Celebrations Galore!

First, I want to thank you for all of your special cards, words of appreciation and encouragement that you extended to me over the 30th anniversary of my ordination. The reception was great! (You are also “welcome” for the entertainment and laughter that you were provided as you looked at the pictures of my earlier years. I guess that is the price one must pay for experience.)

I must tell you again what an honor and joy it is to be here and to have the privilege to serve you as your senior pastor. I continually thank God for your openness to His Word, your desire to be transformed more and more into the image of Christ Jesus, and your willingness to do whatever it takes to share His life-giving love with others.

Second, wasn’t the ground breaking service wonderful!!! God miraculously parted the rain clouds as they passed over Canton that morning and held back the rain right up to the benediction before we received our first sprinkle. Who says He doesn’t answer the prayers of His people? Watching the children digging – or at least trying to dig – into the ground was precious. Watching some of our high school youth digging on the eastern perimeter of the sight was hilarious. (Someone please tell those guys that our expansion does not have a basement.)

Third, please pray for our 16 young people who were confirmed on May

22nd, and all of our youth. Statistics say that less than ½ of them will still be actively practicing their faith by the time of they graduate from high school and more will fall away while in college. Pray these young Christians beat the odds, stay strong in their faith and mature into faithful servants of their Lord Jesus Christ!

“Pray for a spirit of flexibility, patience, persistence in worship and ministry ... during our construction.”

Fourth, pray for a spirit of flexibility, patience, persistence in worship and ministry for yourself and our entire church

community during our construction. While the contractor and the building committee will do everything possible to limit disruptions around the building, there will still be inconveniences from time to time. Sometimes progress means things get worse before they can get better. We will do our best to keep you updated. Let’s enjoy the journey!

Fifth, June 5th will be another dual celebration for Holy Cross. We will celebrate and honor our high school and college graduates at all 3 services that day. We will also be welcoming into our church family another group of new members at the 8:45 service. Your inviting friends and family to worship and Bible Studies and your care for those who others have invited is resulting in more and more people experiencing the joy of Christ’s love for them within this community of believers. Keep up the great work!

Your brother in Jesus, Pastor Kip

Good News for REFUGE OF HOPE: Dedication of the new facility was on May 17. New facilities are just a few weeks away from being certified for occupancy. Praise the Lord for all of the dedication, gifts, and hard work that are making this a wonderful opportunity to serve those in need! Refuge of Hope provides shelter for homeless men and serves nutritious hot meals to hungry men, women and children.

The Holy Cross Quilters have donated 42 quilts for the new men's quarters at Refuge of Hope.

Men's May and June Breakfast/Bible Study – The men enjoyed some fine food in May as we began **Paul the Apostle - What Culture Does Not Want You to Hear**. We will spend the next few weeks in this study as we learn that the culture we live in also faces the same problem as the early church. Come and join us to understand how, by God's grace, we can stand firm in Christ and witness to

God's saving love. **There will be no Men's Breakfast during the summer months! We continue to meet Saturdays from 7:30 – 9 AM for Bible Study.**

Mission Action Team – continues to plan for the medical mission trip to Haiti in September.

this world to save the world from its sin. We will operate 4 hours per night with 2 shifts per night. You can sign up for a shift now to help work a booth in the Market Place, be an actor in a variety of Bethlehem settings, help with the construction of the set (see Tom James 492-4742) or other behind-the-scenes help. Allegro Bells

On July 17, the Allegro Bells from Trinity Lutheran Church, Roselle, IL, will be enriching our worship at the 7:30 and 8:45 AM worship services. This hand bell choir is made up of 57 high school youth. We will need to house these 57 high school youth and their 9 chaperones on Saturday night, July 16. **If you are able to provide beds or sleeping areas for some of these people, please contact Lora Smith at 413-4867, Lorin Zuppe at 492-2862 or Pastor Kip.**

Children's Ministry

Summer Sunday School

We are in need of many teachers and volunteers to continue to teach our children during the summer months. Please find a spot to sign up on the Children's Ministry bulletin board to help our children stay in God's Word. Lessons are provided for you. Thank you for sharing your faith with our kids!

Vacation Bible
School
June 20 — 24
6 — 8:30 PM

Curriculum was picked when the snow was flying; the date was set last year; the songs are being played in (Sarah O'Briskie's) car.

Vacation Bible School is a lot of work, and pulling it together requires many, many helpers. **Do you ever wonder if all the work is worth it?**

? ? ?

The kids daily learn Bible verses and Bible lessons. We praise God through art and music all while we have a blast! The work is not done just for the benefit of us at Holy Cross. The work is for the preschooler who has never been to church, the friends that are brought, and the family who needs a church home. Here is the truth, **VBS is a mission field brought into our building. You are sending your kids, not just for their growth, but for other**

children too, giving them the opportunity to be surrounded by other children shining God's love.

Volunteers are needed for our Elementary and Preschool Staff:

Crew Leaders/Guides, Snacks, Games, Bible Leaders, Crafts, Movie Time, Openings/Closings, Decorating, Set-Up & Clean-up

You name it, we need your help! Please see the VBS display to sign up. Contact Sarah O'Briskie or Lorin Zuppe for more info!

Youth in Christ Goings On ...

We're going to be looking at how we're 'wired' to serve God this summer in combined grade Sunday School, and getting busy doing some ministry and mission work! Parents — I am the only teacher this summer, so if you're interested in coming on over to help every so often — you're **MORE THAN WELCOME!** Thanks for your help!

We have a **HUGE** ministry opportunity with the Senior Youth Coffee House! Bring your friends to hang out in a casual, safe place and watch God open up opportunities to share His love with them! **June coffee house dates are the 11th and 18th from 7-10 PM.** Parent help is needed to collect coffee/snack money/pre-purchased tickets, chaperone, etc.

Offerings continue to be taken weekly in all Sunday School classes to help support our missionaries, and also help to keep hospitality snacks at the Youth House on Sunday mornings for these hungry kids, along with other youth events. This is a great opportunity for parents to teach their youth to be good stewards!

Don't forget to be using www.goodsearch.com as your regular Internet search engine, with Holy Cross North Canton as the beneficiary charity organization. Every search helps our Youth Group get to San Antonio! Thank you!

Preschool/ Kindergarten

Exciting times!

Graduation for the Kindergarten students is Friday, June 3 at 10:45 AM.

MOPS had a great year! Our group grew in moms and babies! God continues to bless us. We had fun learning, fellowshiping, and growing in our friendships and faith. Keep a lookout for activities over the summer and a great new year starting in September. Thank you, Holy Cross, for making MOPS possible. What a loving outreach ministry to all the wonderful moms!

Pregnancy Support Center

Thank you so much for participating in the 2011 Baby Bottle Boomerang! With your help, this campaign raised over \$54,000 for the benefit of the clients of PSC. The members of Holy Cross Lutheran donated the generous amount of \$1,981.42.

Again, let us say, "Thank you and God bless you!" We pray God's richest blessings on you as you continue to serve in His kingdom.

School Mission and Ministry News

The Staff finds it hard to say good-bye to children and families who have been part of our lives for years. We pray that the Holy Spirit nurtures the seeds of faith that Holy Cross Preschool has planted and to help it continue to grow. Thank you for your contributions to purchase Bibles for all of our children leaving the four & five-year-old class and children who were new to our program.

The **two and three-year-olds** talked about mommies and daddies and learned that God loves them more than their parents. They made a special gift for Mother's Day. They learned about Noah and all the animals on the ark. The children reviewed colors and shapes and worked on dealing with separation anxiety, toilet training, learning to share time and space with others, following directions and routines, and expressing wants and needs in appropriate ways. We thank everyone who has helped and prayed for us this year. (Mrs. Anne Hankins and Mrs. Katie Armstead)

For Mother's Day, the **three and four-year-olds** gave silhouettes of themselves. The children learned that there are 4 seasons marked by weather changes and clothing selections. They talked about fun hot summer activities, made kites, and painted with bubbles.

The children were reminded that Jesus is with them wherever they go. They learned that God has three names: Father, Son and Holy Spirit. God has great things in store for each one of His children. Have a blessed and safe summer! (Mrs. Christi Ludwig and Mrs. Patty Wallace)

The children in the **four & five-year-old class** began the month learning about the letter V. What excitement when Mrs. Hockman set off a volcano! For W the children played in water, made a worm and a weather cloud. For X they made an x-ray and a spy book called, "See Inside With X-Ray Eyes." Then came the letters Y and Z. As the children played with the zoo animals at the sensory table they talked about how God made each of the animals different. (Mrs. Teri Hockman and Mrs. Leslie Martin)

The **Pre-kindergarten class** finished up their six-week imaginary trip around the world. As they learned words and tasted typical foods from each place they "visited," they talked about cultural similarities and differences, how God is always with them, and how people everywhere need to learn about Jesus. The class is currently watching ladybugs go through their life cycles and will release the adults the last day of school. They ended with a discussion of

rain and rainbows. The children learned that the rainbow is a reminder of a special promise from Genesis 9:12-13. They also committed to memory simple Bible verses and were challenged to share the verses and Bible Time songs about Jesus with others. (Mrs. Ginger Samara & Mrs. Christina Jacobsen)

The final weeks of **Kindergarten** have kept us busy. The children learned addition, subtraction and counting by fives and tens. In Reading, they learned about the "sneaky e" seen on the ends of many words as well as combinations or, er, and ar. These and the VCCV pattern really added to the number of decodable words for them. Two field trips — Rolling Ridge Ranch and the Akron Zoo — brought to a close their Science for the year. Graduation with caps and gowns is June 3 at 10:45 AM. They are excited and apprehensive about what lies ahead. (Mrs. Sarah O'Briskie)

Our summer program will soon begin. As much as the staff might like the summer off, our child-care families still need us. Please remember the school as you Spring clean. New and use toys are always appreciated.

In His grace,

Marjorie James, Administrator
